URGENT WARNING: RISK OF HIJACKING – ROBBERY UK

(UPDATE 06/07/2016)

We refer to our warning of 02/07/2016.

In spite of this warning, a driver of one of our clients has now been the victim of a violent hijacking on the 04/07/2016 in WALSALL.

He parked in front of the delivery address (which wasn't a smart idea...) and was attacked during the night by gangsters who left with the truck + shipment of copper...

Driver was brought to the hospital with injuries....

Carriers to be extremely vigilant in the West Midlands Area -

Kind regards

Wim Dekeyser.
