SECURITY on HIGHWAY PARKING AREAS

Shooting incident with “transmigrants” at the Parking Area of JABBEKE (E 40 highway)

(29/08/2018)

We refer to earlier messages about problems with “transmigrants” on highway parking areas especially on the E 40 highway between BRUSSELS and the Ports of ZEEBRUGGE and CALAIS.

In spite of efforts of our Government to assure more safety & security (more Police control & control by private security companies) “transmigrants” continue to try to reach the UK, climbing into trucks parked on the highway parking areas on this routing...

Desperate people seem to be tempted more and more to use violence...

Last night a shooting incident was reported on the area of JABBEKE with at least 2 injured migrants and 8 migrants arrested by the Police.

Even when it apparently concerned a violent confrontation between migrants of different origin (Sudan and Iraq); it is rather worrying that this confrontation took place on a Truck Parking Area!!

Therefore it still is recommended to avoid using Parking Areas on the routing between Brussels and the Channel Ports whenever possible...

Kind regards
