TRANSPORT CRIME: RUMANIAN MODUS OPERANDI

RUMANIAN GANG ARRESTED in RUMANIA

(10/03/2020)

On Monday the Rumanian Police has dismantled and arrested Rumanian criminals who robbed trucks in Western-Europe (a.o. in Holland) via the so-called Rumanian Modus Operandi (robbing trucks whilst they are driving or the so-called “stunt-thieves”...)

Since 2015 several robberies have been reported in Holland especially on trucks leaving warehouses known to store high value goods (like I-Phones).

In Belgium this MO remained rather exceptional.

The Rumanian Police organised a massive intervention with about 700 police men; about 40 suspects have been followed since a while and were now arrested...

The suspects own several luxury villa's in the Bukarest area which will be seized now by the Rumanian Justice.

We take the opportunity to congratulate the Rumanian Police Forces who did not achieve their first success as last year they also dismantled a huge gang of “fake carriers”...

Kind regards,

Wim Dekeyser
